

## **Steam Game Code Redemption Instructions**

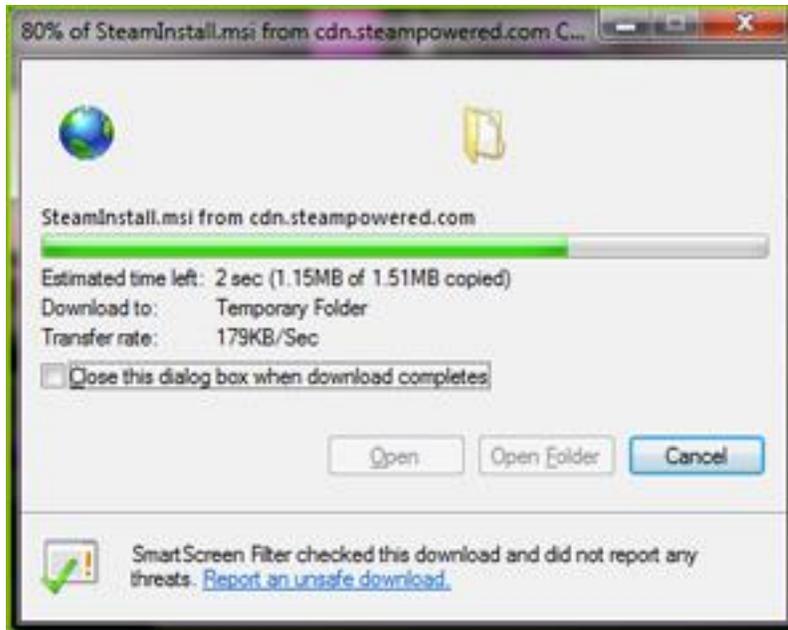

Congratulations on receiving your complimentary PC game code for *Never Alone (Kisima Injitchuana)*. To obtain your game on or after the day the game launches, you will need to install Steam.

Below are step-by-step instructions to redeem your code and get the game.

**STEP 1:** If you are a first-time user, go to <http://store.steampowered.com/about/> and then click on the “**Install Steam Now**” button to begin downloading the free Steam installer.

**STEP 2:** Save the Steam Install file to your computer. Run the “SteamInstall” application to install Steam.

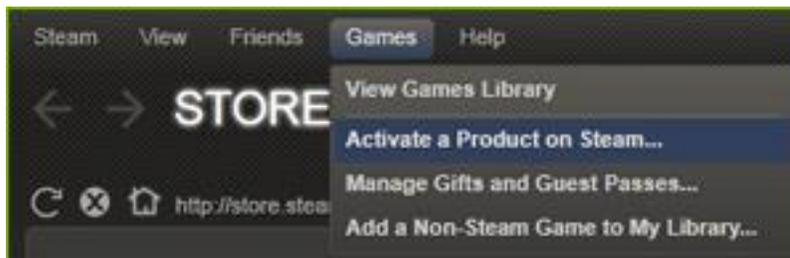

**STEP 3:** Launch Steam and Log in. If you don't have an existing Steam account, you will need to create one.

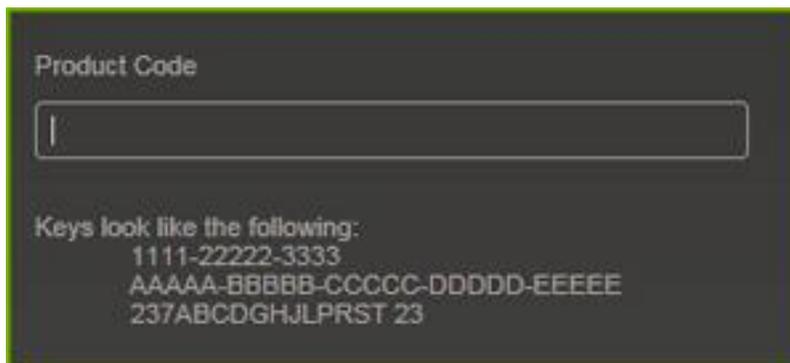

**STEP 4:** From the Steam Dashboard, click the **“Games”** tab at the top, then click the **“Activate a product on Steam...”** button at the bottom.

**STEP 5:** Enter your unique PROMOTIONAL CODE in the **Product Code** field.

Internet connection and acceptance of Steam Subscriber Agreement required for activation. See [www.steampowered.com/agreement](http://www.steampowered.com/agreement) for details
