

Curriculum Designer

Alaska's People DOL CAREER Grant

Cook Inlet Tribal Council is requesting proposals and statements of qualifications for a professional curriculum designer.

CITC has been awarded a DOL CAREER grant to serve dislocated workers affected by the economic and employment fallout from the COVID-19 pandemic, in particular those from historically marginalized communities or groups.

The selected Curriculum Designer will work directly with Alaska's People to analyze and develop instructional strategies and materials to achieve optimal development and learning for apprenticeship tracts creating access on the job training for high demand careers.

Please notify CITC if you are interested in this opportunity so that we can contact you if there are any RFP amendments.

To be considered, all proposals must be submitted electronically to alaskaspeople@citci.org on or before 9 a.m. AST Friday, December 10.
